### **Description**

Hi, my name is **Anneka Vander Woude**. My market lamb's name is Tuck and I have raised him since birth through my siblings' and my breeding project. I am part of the **McSwain 4-H** sheep group and this is my fourth year in 4-H. I have learned a lot about responsibility and patience in my 4-H projects. Tuck is a Hampshire-Suffolk cross and, thankfully, he has always been healthy and has grown well. The money from selling Tuck will go towards saving up for college and paying off project expenses. I thank God for all he has given me, His Creation, and for giving me the opportunity to glorify Him through both of my sheep and heifer 4-H projects.
