Description

Hello, my name is Matalie Greenwood and I am a freshman this year at Los Banos High School. Besides being an active member in my FFA chapter I also play volleyball and competitive softball. This is my second year showing market lambs and my third lamb project. My lamb this year is named Max. He is a Hampshire weather born in October 2019 and weighs 142 pounds. I got Max at the beginning of January and have spent countless hours with him while feeding, walking, training, bonding and much more. Max and I have grown almost inseparable since. He has taught me about responsibility and hard work as well as definitely testing my patience, yet he is the sweetest lamb you could meet. Max and I competed in a few virtual shows against lambs across the nation. He won his class multiple times and even won reserve Hampshire. Thank you for taking the time to look at my project!
