Validation Tag or Show reference# 541

County Merced

City Atwater

Animal Weight (in Pounds) 263

Date of Reported Weight 05/28/2020

Description

Hi my name is Beau Usry and this is my third year raising a swine project at Buhach Colony FFA. This year I got a gilt and named her Moa. I had never worked so hard to raise a pig as I believe this was the best swine project I had ever raised. I was able to teach Moa how to walk very smoothly. After teaching her to listen to me I was able to teach her how to sit and come. Through the process of raising her I have learned that she loves to eat fruit and play with the dogs. I give her baths everyday as she loves to roll around in the grass. Finally, I have worked very hard to raise Moa this year in hope that it'll workout at fair but sadly it wouldn't; I have been able to raise some money over the past couple of year to help enrich my education and pay for college and plan to do the same this year with the money earned from this project.
