Description

Dear Buyer,

My name is Rhylee Bernal. I am in the 3rd grade. This is my second year in Weaver 4H, and my first year showing a market animal. I have a guilt swine her name is Olivia. I have learned so much responsibility raising Olivia. I have to feed and water her twice a day. I feed her Show Pig 100 and Showtime Combat. She loves to eat her food. I walk her around everyday, and have to clean out her pen. Olivia weighs 270 pounds, and we are maintaining her weight. I have fun just hanging out and connecting with Olivia. These few months have been challenging for me since it was my first time. Next year I believe it will be easier because I have had some really fun experiences this year with Olivia. I hope you will consider purchasing Olivia in this years Virtual Auction.

Thank you,

Rhylee
