### **Description**

My Name is Sara Garcia from Alpine Victor 4-H and I am 15 years old. This is my 6<sup>th</sup> year in 4-H and my 5th year showing a lamb. My lamb's name is Macho. When I purchased him he weighed about 80lbs in late January and now he weighs about 125lbs. I have spent many hours with Macho. He is a very calm and easy to handle. I feel I have improved so much from prior years. This year it's been easier because soon after I purchased Macho we've had a special bond. We have worked hard together and have gone through some challenges but came back stronger. Hopefully our hard work will pay off this year.
