Description

Hi. My name is Mason Fiser, and this year, I'm selling Dolly Parton. She's a Chester White, and while she's been quite noisy for the past few months, I'm sure she's going to take delicious! This is my second year doing 4-H, and because things were a bit weird because of the coronavirus, Dolly got lots of good attention. Thank you for supporting our 4-H. Thank you for stopping by to see me and Dolly. And thank you, in advance, for supporting me!
