Description

I'd like to introduce you to my pig, Buddy. He is a cross-breed that I purchased from a breeder in Elk Grove on February 23rd and is projected to weigh 260 pounds. Although this is my second year raising swine in 4H, I have still learned a lot from him. I had to monitor his food and weight gain closely in the beginning, it took a while for him to gain at a consistent pace. I have enjoyed raising him this year, and appreciate your support!
