Description

My name is Nic Presto and I am in the seventh grade at Peggy Heller in Atwater. I'm the son of Pat Presto and Lisa Cardella-Presto. I am a member of the Winton Out of the Box 4-H and I am raising a market swine project that I was planning on showing at the Merced County Fair. Now, due to the Covid-19 pandemic I will be missing out on showing my animal, but I will still be selling her through the virtual online auction that the Fair has set up to be held June 11th through June 13th, 2020.

This year I picked out a nice Hampshire gilt that I named Zoey. She has been a really good pig. We brought her home on February 1st and ever since she has eaten really good and she likes to get out of the pen and go for long walks along the ditch bank. She loves to be brushed and she has gained a lot of weight.

This is my second year raising a pig. I learned a lot last year and I am gaining even more experience being responsible for raising her. Through this project I think the main thing that I am learning is that life doesn't always turn out the way you expect. It makes me appreciate things a little differently. Being at home with Zoey and not going to school every day, we have spent even more time together and I will be sad to see her go. I will definitely raise another pig again.

Your investment in my project will go towards my costs and future 4-H projects that I want to get involved with. Your support would be greatly appreciated. Thank you for your time and involvement.
