### **Description**

Hello, my name is Mason Bussman. This is my first year in 4H and I am excited to bring my goat, Captain, to AgFest. I have learned so much about how to feed, exercise and care for my goat. 4H has taught me a lot about responsibility. It has been loads of fun working with Capitan and I look forward to another year in 4H. I hope to sell my goat so I can put money away for my next 4H project and for college. I want to be a Marine Biologist and I think 4H will help me prepare for collage and for working with wildlife. Thank you for considering my project.
