Description

Hi, my name is Gianna Fragulia and I am a 5th grader at Mc Swain Elementary. This is my 2nd year raising a market goat and it has continued to be an outstanding experience. I purchased my goat Finnegan, in February and have been doing all the feeding, grooming, and training since the day he was brought home. Finnegan has been a fun and challenging goat to work with. He is full of personality and we love spending time together.

Besides being involved in 4H, I also play on a club water polo team in Fresno. In addition I work very hard at school and ended this school year with a 4.3 GPA.

Unfortunately due to Covid-19, Finnegan and I didn't get the chance to show off all of our hard work. Thankfully, the fair has provided us the means to sell my animal through this virtual sale. Any support you can provide will be greatly appreciated.
