Description

Hi! My name is Karis Mann and this is my fourth year raising swine with Alpine-Victor 4-H. I am 12 years old and going into my 8th grade year at Vineyard Christian Middle School. Some of my hobbies include volleyball, baking, reading, backpacking, and of course, 4-H! My pig Riley is expected to weigh around 270lbs. She is very curious and loves attention. Her favorite treat is an occasional marshmallow. I have really enjoyed 4-H because it has helped me learn so much about animal care and nutrition. Riley is fed ShowRite feed and gets daily walks. I feel the experiences 4-H has offered will impact me and my actions later on in life, raising an animal or not. I would like to thank everyone who plays a role in these projects and the behind-the-scenes of fair. I would also like to thank the buyers for all the support they have given to us and continue to give. Thank you!
