Validation Tag or Show reference# 8136

County San Joaquin

City Escalon

Animal Weight (in Pounds) 129

Date of Reported Weight 05/25/2020

Description

Hello, my name is Ryan (Roche) Trick, I am 17 years old and I am going into my senior year at Escalon High School. In school I enjoy my Ag classes. I am a dual sport scholar in Wrestling and Golf at Escalon High School. Outside of school I enjoy riding my horse, hunting, fishing, raising my market lamb, and spending time with my family.

This year is my third year showing market lambs with Escalon FFA. My lambs name is Bucky. I purchased my market lamb from Morino Brothers Club Lambs in Ripon/ Escalon, California. Due to COVID-19 it has impacted me and many others I could not go out and work my lamb as much as I did last year and years past. We had to schedule dates and times we could go out to the barn to work my lamb. I have learned a lot from being involved in 4H and FFA and helping my family with their herd of sheep and raising my market lamb, not only has it taught me a lot of self-discipline and responsibility, but I have also learned about proper feeding methods for market lambs,

the proper way to care for a lamb, and anatomy of a lamb, as well as proper record book keeping and keeping a budget. I have really enjoyed my experience in FFA this year.
