Description

Hello,

My name is Jaiden Shelton, I am 14 years old and currently a Freshman at Merced High School. This will be my second year showing market swine. Since early February, I have been raising a male Cross-Hamp, whom I have named Nalo. I have spent many hours feeding, walking, and grooming him. Having the oppurintie to raise and show an animal has shown me great responsblity, dedication, and work ethic. My Sophmore year I plan on furthering my education in agriculture and take Ag Chemistry, AG foral, and Ag leadership as well as showing another market animal. The support of myself, and my fellow livestock FFA members, is greatly appericated. Your community involvement and continued support makes a difference.

Thank you
