Validation Tag or Show reference# 595

County Merced

City Merced

Animal Weight (in Pounds) 275

Date of Reported Weight 05/31/2020

Description

Hello all! My name is Oscar Torres, and I am a 4th year member of the Merced FFA Chapter. I am 17 years old, a Senior at Merced High School, and plan to major in Agriculture Education at Merced College in the fall! Throughout my time in high school I have served as Merced FFA's Chapter Secretary, a California FFA Sub Committee Chair, and most recently as Merced FFA's Chapter President! This year I planned on raising a Market Hog to show at the 2020 Merced County Fair. His name is Whealan and he loves to eat and run around. This is my third year raising a Market Hog and it saddens me to have to rob Whealan of his fair experience. However, this year has taught me how to adapt, and that nothing will ever go as planned, and for that, I am forever grateful. I appreciate any and all support and look forward to using what I've learned to continue to pursue my career in agriculture!
