### **Description**

Hello my name is Katie Schallberger and I am a part of Alpine- Victor 4H Club. This is my second year in 4H, I show a Dairy Replacement Heifer and her name is Remy. I have owned my heifer for two years and I got her from Wagner Dairy. Her service sire is Cherry- Lily Zip Luster-P-ET and her sire is De-SuSalen ET. My heifer's dam produces 25090 pounds of milk. Sadly I didn't get to show her at Agfest this year but I have worked hard to make sure she looks nice for the online Agfest . I would love if you could bid or put add ons to my heifer. I have tried to do my best on the covid 19 Agfest. Thank you for your time and I hope you have a nice day.
