FFA Chapter or 4H Club Name Golden Valley FFA

Validation Tag or Show reference# 557

County Merced

City Merced

Animal Weight (in Pounds) 257

Date of Reported Weight 05/29/2020

Description

Hi! My name is Preston Johnson. I am a sophomore at Golden Valley High School. This is my 5th year showing. I got into 4H 5 years ago. My mom wanted me to do it because she grew up in 4H. I had so much fun in 4H. FFA and 4H have taught me so many different life skills that are needed in life. Some of those skills are responsibility, respect, and courtesy. I bought a 70lb crossbred in February from No Limit Genetics. Her name is Oreo. She is one of my personal favorite pigs that I have had so far. I am really involved in the FFA. I think it is the best program in high school. I played football for Golden Valley. And I played on the Varsity Boys Golf team. Next year I plan on playing water polo. I planned on showing Oreo at the Merced County Fair. I had a very successful year last year at the fair. I showed two pigs, one in Chowchilla and the other one in Merced. Both were really good pigs. Next year I am going to be even more involved in showing. I am planning on showing a steer and two pigs. Even though I never grew up around animals I am still very involved in showing.

Currently Oreo gets walked twice a day. Once in the Morning and once in the Evening. Her mixed food ratio is 1 scoop of 18% Battleground feed and 1 scoop of Expando.

I am selling my pig Oreo at the Virtual Merced County Livestock Auction. This auction is held June 11-13. Although I am very sad to see my pig go. I am really bummed I'm not able to show at the Merced Fair this year. I had a really good shot at winning something. On top of the FFA some of my favorite hobbies are fishing, swimming, hunting, and camping. I am also involved in trap shooting. I shoot for a winter league. I also shoot for both school leagues. I am turning 16 in three months. I would really appreciate a successful sale to financially help to continue to save for college. I plan on going to WyoTech. I am going to major in Diesel Mechanics. I plan on being a Diesel Mechanic after college. Thank you for your time and your support! Please consider supporting me during this Merced County Fair. Thank You!
