Validation Tag or Show reference# 620

County San Joaquin County

City Acampo

Animal Weight (in Pounds) 190

Date of Reported Weight 05/30/2020

Description

Hi, my name is Caleb Mann and I am 9 years old. This is my first year raising a pig with Alpine Victor 4H. I have learned about animal care, nutrition, and hard work from 4H. In addition to 4H, I love baseball and I had the honor of representing the City of Lodi on the Lodi All Stars team last summer. I go to Lakewood School and my favorite subjects are math and P.E. The money that I raise from my pig will mostly go towards college. I hope to go to Stanford and be a professional baseball

player. At Ag-Fest this year I will be selling my pig named "Molly". Her ear tag is #620. She is a Hampshire and is expected to weigh 240 pounds. She has been fed Show Rite feed and enjoys daily walks. Because I have been home a lot due to the Covid Virus, she has gotten a lot of extra attention. Thank you for your support!
