Description

My market hogs name is Chris p. Bacon, he is a cross breed, and i have had him since February. He has taught me alot, and how i cant just be lazy. He is a stubborn pig but, also very playful. When we first started training for fair he just wanted to run around the arena, he didnt really listen much at first, but over time he taught me that i had to be patient. My favorite part about Chris is that he isnt just stubborn but he loves to play, and it is fun to see him run around the arena. He is growing accordingly and projected to be around 250 pounds at the time of auction.
