### **Description**

Hi my name is Issac Medrano. I'm a sophomore at Pacheco High School . This will be my 2nd year showing in high school ,not only am I a part of FFA ,I'm also a year round athlete.

This year I will be showing a Dark Cross swine name Duke . Duke and I have been working together since Febuary . Our days start off at 6:30am for morning feedings at the barn. Later in the evenings Duke gets feed , walked and a bath. When it comes to walking Duke really doesn't like it but when it comes to a bath he loves it . Duke loves to eat he weights 245 pounds.

Due to this year's current events I will not have the opportunity to show my swine Duke. Duke and I have worked really hard , and I must say that we would of done pretty

good at this years Merced Fair. The more Duke and I work together our bond gets stronger.

I have enjoyed working with Duke and I look forward for all of you to see Duke in the pictures I have added . I thank you for taking the time to get to know Duke and I.

Thank you

Isaac Medrano
