Hello, my name is Jenna Schmiedt. I am 14 years old and have been raising market lambs for 4 years. I have been apart of Alpine-Victor 4-H for 5 years. My lamb is from MDW Club Lambs. I'm really sad that I didn't get to show him on sawdust because he is my favorite lamb so far. I Have put in a lot of work in him since I have been home so much due to COVID-19. He loves to trot around our backyard and play with the dogs.

He truly is a great and Im going to miss him. I entered him in a few virtual shows and he did really well winning banners. He has been such a nice part of my day. My lamb taught me a lot about responsbility and he was the perfect lamb to raise. Thank you for considering supporting me this year.
