Description

Hello, my name is Kaetlyn Bogle and I am a Sophomore at East Union High School. I have been part of the FFA program for 2 years and have shown market steer for 2 years. I got into livestock through my Calla 4h club and started showing rabbits, then went in to market and breeding poultry, lambs, and now Steers, I even picked up dog obedience. I am very passionate about animals and have many that I take care of on my farm. I received my Charlais Angus Steer in early November and in January he weighed in at 725lbs and at a final weight of 1200lbs on May 30th. I have been working with my steer daily by tying up and walking him and also ensuring his pen is cleaned regularly. Thank you for for your support of our ag community.
