### **Description**

My name is Anneke Mathews. This is my second year in 4H, doing swine as my project. I'm 12 years old. This year I raised Alexander Hamilton, my Duroc. He has a significant balance of muscle and fat, with notable posture, and character. His pig pen is top of the line quality. It has a concrete floor, which is easier to keep clean. He shares it with two of his swine friends. His pen is also in the shade to keep his skin moist and plump. He has a fantastic diet and is hand fed Showfeed finisher, hydrates as he pleases, gets plenty of exercise, and has been on regular deworming medication. I bathe and brush him regularly. Please consider my swine project, Alex. He will be a great purchase and provide many meals to remember. Thank you, Anneke
