Description

My name is Cooper Johnstone and I am 9 years old. I go to Plainsburg Elementary School and I am a member of Lancers 4-H. This is my first year in 4-H. I started showing pigs last year. I went to several jackpot shows and was really looking forward to showing this year. I wanted to show pigs because that is what my dad showed. I have learned alot from my project. I learned how to artificially inseminate and I was able to breed 2 of my own breeding gilts successfully! I also learned alot about how to feed a market hog. I hope to get alot more knowledge next year. Although I was not able to show at the fair I still had alot of fun raising my pig.

Other than 4-H I am a honor roll student and I really like playing football. I played flag football for my school. I also played soccer for the youth league.
