Description

Hi! I'm Ronin Edwards and I am a third year market rabbit exhibitor from Tokay Colony 4-H. I am fourteen years old and a freshman at Lodi High School. In addition to market rabbits, I have also raised breeding rabbits for the past six years. I have won advanced market and breeding showmanship at AgFest a handful of times over the years, the first of which was at nine years old. The rabbit project has taught me responsibility, patience, and perseverance. It has also helped to push me out of my comfort zone and to try new things.

I plan to save the money I earn from my project this year.
