### **Description**

Hi! My name is Lucas Yeager and I am 13 years old. This is my first year in 4H. My pig, Peppa, is a Duroc. I have been amazed at how quickly she has grown over the past few months. Raising her has been challenging but fun. It's unfortunate that I do not get to experience AgFest this year, but glad we are having a Virtual Sale. In my free time I like to play baseball, basketball, hunt and fish. Thank you for taking a look at my pig & Thank you for supporting AgFest this year!
