Description

Hi my name is Emma Phelps. I am a sophomore at Ripon High school, this is my second year raising a market steer in Ripon FFA. My steer is named Toby. He is a black crossbred steer. He weighed 630 lbs when I bought him in September 2019. He now weighs 1225 lbs and raising him has been a fun project. Toby is a very strong steer, I am grateful he doesn't know his own strength. From day one he has been very calm and even reminds me of a teddy bear. I fed him wheat hay and Infinity show feed twice a day. He has always had a lot of hair. My biggest challenge this year was keeping his hair nice and clean. When the Coronavirus restrictions hit it was hard to get enough barn time to wash him as much as I wanted.

Thank you for considering on purchasing my market steer project,

Emma Phelps
