Description

My name is Caden Sarale and I am showing my market lamb through Linden FFA in this year's virtual AgFest show! When I bought my lamb, "Roscoe", on March 1st he weighed roughly 80 pounds. Since then he has had a steady and healthy gain to his current weight (as of May 13th) of 125 pounds. Throughout the last few months I have worked with and fostered a relationship with my lamb in order to ensure success while showing. Throughout this process I have managed to raise a well developed lamb to sell at this year's AgFest and your support would be greatly appreciated! Thank you for your time and consideration!
