Description

My pig's name is Deebo and he is a barrow. I named him after 'Deebo Samuel' who plays for the San Francisco 49ers and I am a huge fan. Deebo is a Brookshire breed and is considered an all other breeds at auction. I got him the first weekend in February and he has been fun ever since. I definetly learned this year that not all pigs are alike. Deebo was very stubborn and skidish which made it very hard at times to walk, bathe and just give him affection. He was alot different than all the pigs I have raised in the past.
