Description

My name is Cooper Morino and I am a member of the Ripon 4-H. I am 11 years old and a 5th grader. This is my second year showing a market lamb. My lamb weighs 139lbs. and I have been working with him since the first of March. This year has been crazy with the coronavirus, but I have still learned a lot with my project. I was very excited to be able to still show virtually even though our real show got cancelled. I also have a breeding sheep project that I take care of. I love to show my sheep, but I also love to play sports! I play soccer, basketball, baseball and flag football. It would be really great if you could support me this year. I will use the funds from this year to help pay for my project next year, and save some for when I go to college some day. Thank you for taking the time to read this and for your support!
