Description

Hello my name is Paul Avansino and I am a freshman at Linden High School. I have been raising market swine for 6 years. This year I have a beautiful spot. He has amazing hams and broad shoulders. He weights 240. His name is pig and he has been my best animal so far in my swine career. Pig is very long and stout. This animal has a lot of meat on his bones. I would love to sell this animal at Ag fest so I can put the money I make into a savings account for my future. When I get out of high school I want to go to work. Thank you to everyone who supports Ag fest and all of the kids with livestock! You are appreciated. My animal has placed as reserve champion for market.
