Date of Reported Weight 06/06/2020

Description

Hello my name is Mallory Berhorst. This year I am showing a market lamb. She is an ewe, and named Pixie. For the last month she had been eating about 5 pounds of grain a day. Pixie is very playful, and loves to run and play with my dog Mint. As of June 7th she is about 115 pounds. Through my experience in raising Pixie since January, she has taught me responsibility and caring for another life.

Quantity: 1
