Description

My name is Colten Morino from the Ripon FFA. I am 14 years old and going to be a sophomore at Ripon High School. This is my first year in FFA and sixth year showing sheep. I also have a breeding sheep project. I take this very seriously and make it one of my top priorities. My lamb weighs 126 pounds and I have been working with him nearly every day. I was also very involved in athletics at Ripon High this year, playing football, basketball and boys volleyball (until the pandemic hit). I am still glad we get to show and sell our animals this year. This pandemic has taught me to appreciate what I have right in front of me. I am hoping that you will support me this year. I appreciate you for taking the time to read this. Thank you again.
