Description

My name is Benjamin Melendez and I have been lucky to have raised a swine as my project for 4H this year. I have raised a crossbreed male that I named Gary. My swine, Gary has been an absolutely great pig. I have raised him since he weighed only 26 lbs. My schnauzer dog, Lula, weighed more than Gary at that time I brought him to our farm. He loves to be walked and loves to be bathed even more. I've dedicated a lot of time and work in order to insure that I do my absolute best in raising Gary. Even with the situation with Covid-19, I am hopeful my pig will do well in acution and I can assure you that he's been feed and well taken care of. My pig is a winning pig and I hope you think so too.
