Description

Good afternoon, my name is Alejandro Melendez and this year, I have raised a beautiful looking crossbreed female. My swine's name is Pigtunia and she has a beautiful black coat color and feet that look like she's wearing socks. She was so tiny at only 24 lbs when we first bought her from family friends. She is the second pig I have raised and was always so gentle. I am very proud of what I did to keep her healthy and in good shape. I visited her several times a day and made sure she always had food and water. Each afternoon, she got to walk with me and loved when I rubbed her belly. Everytime that I rubbed her belly, she quickly layed down so that I kept doing it. On hot days, she loved soaking in her mud pit that was always ready for her. I love Pigtunia and she has been the best this year.
