### **Description**

My name is Sophia Melendez and this is my first year in 4H. I am so excited to have gotten to raise a Yorkshire this year. I have watched my brothers raise pigs and was so happy to get to finally do it too. My Yorkshire is a beautiful swine named Gata. She has been so easy to raise and I'm lucky that I had her this year. She has been gentle from the moment I got her to our farm. She was so tiny when she arrived and now she is a lot bigger than me. Even though I've seen my brothers raise swine, it was hardwork doing it myself. Each day, I had to make sure her pen was nice and clean. I gave her lots of food and plenty of water to drink. Gata is my responsibility and I wanted to make sure she got big and healthy. Gata loved getting washed and especially liked belly rubs. She would often lay close to me after she went out for a walk. I can't show you in person how beautiful she is but I hope that with my picture, you can see what a fantastic pig she is. I hope you choose to buy my pig because is the best. Thank you!!!
