Last Name Campos

FFA Chapter or 4H Club Name Buhach Colony FFA

Validation Tag or Show reference# J1, J2, J3

County Merced

City Atwater

Animal Weight (in Pounds) 4.9 4.7 4.6

Description

Hi, my name is Jacob Campos and I am a proud 4 year member of Buhach Colony FFA. I have been raising and showing rabbits with my family for 13 years. My meat pen is from one of our litters, so they are littermates. These are Californian rabbits and weigh close to 5 lbs each at this time and 8 weeks old. Rabbits are a great project and I have really enjoyed them. It is a challenge to find that right rabbits to make a good pen. They need to be uniform in weight and type. I raise my meat pens together in one cage unless their weights start to vary to widely. So weighing them regularly is key to being successful.

During my years in Buhach Colony FFA I have participated in Ag Leadership, Greenhand Secretary, Job Interview Contests and Rabbit and Swine SAE projects. I have learned so much that will help me through my life. I will be attending Modesto Junior College starting this summer and will be majoring in Plant Science and will transfer to Fresno State or Cal Poly. So that might allow me to show rabbits on more year.

This meat pen has 2 bucks and a doe (the doe is the one pictured alone). They are littermates with both parents from Randy Shumaker.

Quantity: 1
