Description

I am **Dylan Vana**. This is my fifth year raising a pig in the Linden Peters 4-H Club. My pig's name is Tick and she is a Berkshire gilt. She is super curious and loves to nibble on my pant leg. She did not like being weighed and tried to jump out of the scale several times. I attend Waterloo School and just completed sixth grade. Some of my other 4-H projects include Cooking, Community Service, Dog, and Welding. My favorite project every year is my Swine Project because I like raising a pig and taking it to AgFest. It is fun to see all the animals and my friends every year. One great thing about 4-H is going to 4-H Camp, too.

I appreciate support as it helps me cover the cost of my pig, feed, vet care, and bedding. All support helps to pay for my future education.
