**Animal Weight (in Pounds)** 245

**Date of Reported Weight** 05/27/2020

### **Description**

This is my beautiful Duroc. He came to me from Iowa. He weighed 60 pounds when I got him. His coloring is amazing. He is a pretty relaxed pig and just likes to lay around. He's pretty cute though. This is my 5th year showing swine and this has definitely been the most challenging year of all. Looking forward to ending this chapter and beginning again next year.

**Quantity:** 1
