Date of Reported Weight 06/01/2020

Description

This hampshire gets fed twice a day. In the morning and in the afternoon. We give him many protein from his food and also give him fruits to ensure he gets a proper diet. At the moment he weighs around 236. But as the time flies, he will get more muscle for him from all the food, so this will lead him to weigh more.

Quantity: 1
