Description

My name is Mayra Hernandez. I am a junior at Livingston high school and this is my first year raising an animal for the Merced County Fair. This year I raised a chester white barrow. I have learned a lot about how to properly care for an animal and plan to raise another pig next year. My goal is to work on my showmanship skills and learn more about nutrition. Money from this sale will go towards my project next year. Thank you for supporting youth agriculture.

A video of my project can be found below!
