First Name Tegan

Last Name Siemiller

FFA Chapter or 4H Club Name Merced River 4-H

Validation Tag or Show reference# 1575

County Merced

City Winton

Description

Hello, my name is Tegan Siemiller. I am 12 years old and I am a 6th grader at Washington School. This is my third year being a member of the Merced River 4-H Club. This is also my third year raising and showing a meat goat. My goat's name is Priscilla. She can be a wild little thing at times but it's helped me learn to be more patient. I have been working with Priscilla since we brought her home in February even though we didn't even know if we were going to have a fair. I work with Priscilla for about 45 minutes everyday.

While raising Priscilla I have learned a lot about responsibility and how to raise a healthy meat goat. I have also learned the different parts of a goat. The biggest thing I learned

working with Priscilla is that taking care of an animal is harder than it looks but is also very fun.
