### **Description**

My name is Adan Barajas. I am a sophomore at Livingston High School and this is my first year raising a market hog for the Merced County Fair. This year I have raised a yorkshire gilt. This project has helped me gain valuable experience in the career path that I wish to be apart of. I am on the Vet Science judging team and have been able to treat my animal with the proper care and manage his nutrition becuae of my experience in the classroom. The money I make from this sale will go towards my project next year. Thank you for supporting youth agriculture.

Attached is a video of my project.
