Description

My name is Annabelle Lomeli. I am a junior at Livingston High School and this is my second year raising a market hog at the Merced County Fair. This year I have raised a Yorkshire market hog. This year I was able to spend more time with my animal project when school was closed and sports were canceled. My nutritional management and showmanship skills have improved since last year. I look forward to raising and showing a pig for the Merced County Fair next year. Thank you for supporting youth agriculture!!

Attached is a video of my project.
