Description

My name is Alondra Aquino. I am a sophomore at Livingston High School and this is my second year raising a market hog. This year I raised a yorkshire barrow. I have a passion for animals and raising pigs. My goal is to be in the veterinary field and my project has allowed me to do so. I have learned more about animal nutrition health by managing my project and being a member of the Vet Science team. This year my FFA experience has allowed me to improve my public speaking skills earning me 3rd in impromptu public speaking and a spot on the 2020-2021 FFA officer team!! I look forward to showing at the Merced County Fair next year. Thank you for supporting youth agriculture!!

Attached below is a video of my project!
