### **Description**

My name is Haylyn Schmidt. I am a freshman at Livingston High School and this is my second year raising a market hog for the Merced County Fair. This year I have raised a Hampshire barrow. I have worked hard this year to raise my pig for the Merced County Fair. I have learned how to manage my pigs nutrition and skin and hair to get him looking the best that he can. Money earned through this sale will go towards my pig project next year and for my swine breeding project. Thank you for supporting youth agriculture!

Attached is a video of my project.
