Description

Hello, this is Buddy and he is a Crossbred. I purchased Buddy from a breeder in Northern California in early February and he weighed about 35 lbs. On May 23rd, Buddy had grown to be 233 lbs. and I estimate his final on sale day to be around 265 lbs.

Buddy received lots of attention this year as COVID-19 moved my classroom from Linden High to my "home office" thus, Buddy was just a few hundred yards away and I was able to work with him multiple times a day.

Buddy enjoys playing in the mud and drinking from the water hose after our daily walks!

This is my 9th year in raising a market hog and it's been quite a year!
