Description

Hi, my name is Aubrie Hazan and I am a senior at Gustine High School. I am an active member of both Gustine FFA and Westside 4-H. My market lamb is a beautiful October born ewe lamb, bred from my own breeding stock. She is out of a Burch ewe that I own. She is stout, well-balanced, and shaggy. Her top is huge and she is wide based! She will be an excellent choice for anyone who either wants to butcher her and enjoy some delicious lamb, or she will make a fantastic addition to your breeding program if you choose live pick up. To be honest, if I wasn't a senior and needing money for my college savings, I would have kept her as a part of my own breeding project.

Not only do I have a breeding and market sheep SAE project through FFA, but I am also on the Livestock Judging Team, Food Science and Technology Team (I recently placed 3rd High Individual and was on the Reserve Champion Food Science Team at the 2020 State Finals at UC Davis), I am currently getting ready to compete at the Regional Level for the Job Interview Contest, I have served as a Gustine FFA Chapter Officer (Vice President and Reporter) and a Merced Mariposa Sectional FFA Officer (Vice President),

as well as serving California FFA as a National Delegate. Besides FFA, I am also the Teen Leader for the Westside 4-H Leadership Project and have served as the Gustine High School ASB Commissioner of Academics for the past 3 years. I am extremely involved in my community, where I am currently serving as Miss Gustine and enjoy community service projects. I will be attending Modesto Junior College in the Fall to major in Animal Science, with plans to transfer to Kansas State University.

I have worked diligently to build up my breeding sheep project so that I can show my own lambs at the County Fairs. This year, I was extremely proud of the lamb I was planning to exhibit, and like the other exhibitors, I am disappointed that because of COVID-19 our fair was canceled. I am grateful that the Merced County Fair is allowing us to sell through the virtual auction and I would encourage you to support the youth through this auction, either through purchasing livestock or adding bump bids. Thank you to all the buyers and supporters- I appreciate you all!
