Description

Hi! My name is Sariah Avila and I am from the El Capitan FFA Chapter. I currently attend Modesto Junior College where I recently finished my freshman year as an Animal Science Major. This year I had the chance to raise a pig for the Merced County Fair that I personally bred. I would like to introduce my pig, Jolene, a Yorkshire appearing market gilt. I have had the amazing opportunity to own and operate my own show pig breeding operation and I bred my purebred Yorkshire sow that I raised and had the chance to exhibit at the Arizona National Livestock Show to my herd boar. It has been amazing to be able to be involved in every step of raising market hogs from birth to market. I am so glad to be able to proudly sell Jolene as one of my own that I have cared for since the day that she was born! I believe that I have raised an exceptional market hog with great structure and muscle and know that she would be a great investment. Thank you for your time and consideration and happy bidding!
