Description

Hello AGFEST supporter. I am Ella Towell, a member of Alpine-Victor 4H, and I am 13 years old. Thank you for supporting me and all of the kids who have spent a lot of time on their projects. This is my lamb Solo, he was bred and born in San Joaquin county, my Aunt Sonya helped me with my project. Solo has a great build and lots of muscle which makes him great to show. He is kept at a friend's house in a pen that I helped build. He gets high protein hay, quality grain, and fresh water twice a day. He has been one of the greatest lambs to raise and has been truly fun to handle.

4H has been a great experience, I have had the opportunity to do several projects, participate in leadership conferences and this year I will be our chapter president. All of my friends and I learn a lot from doing the work ourselves and this is what makes all of this so great. Thank you for the support.
