**Validation Tag or Show reference#** 11450

**County** San Joaquin

**City** Escalon

**Type of Sale** Terminal - Buyer Gets Project at High Bid

### **Description**

Hi, my name is Kelsey Webster. I just completed my freshman year at Escalon Highschool, and this is my fourth year showing and selling replacement heifers at the San Joaquin County Ag Fest. Over these past 4 years, being apart of Escalon 4-H has taught me many lessons about hard work, dedication, and responsibly. I am proud to say that my heifer, Maryland, is the 2020 Ag Fest Supreme Champion. Mary has a very calm, and loving personality, along with amazing legs. Mary's estimated due date is July 14th, 2020. Her dam's milk production was 34,640 and fat 1,100. Since February, Mary and I have bonded, and have gained a relationship that makes it very easy to love her. Mary was born and bred on my grandparents dairy, Faria Dairy Inc. Sadly due to the current health crisis in our country, Mary, my fellow peers, and I were unable to physically go to the San Joaquin Ag Fest fair, but everyone was able to adapt, and participate in a virtual show. Although I have had so much fun raising and working with Maryland, it is time to give her a new home, where she can grow, have many calves, and a long milking career. I hope you and your families are staying healthy during these

times of uncertainty, and I look forward to hearing from you soon, Thank You for all of your continued support to the 4H clubs.

Sincerely,

Kelsey Webster
